Two Year Old Stags for sale

Welcome to our Stock Sale 2020

We are very pleased to be offering for sale some very exciting yearling hinds and 2 year old stags for sale this year.

2 year old stags available

This year we are proud to offer sales of top Woburn 2-year-old stags from four of our top sires shown below;

CHENIES (013-13)

pictured age 4

Another outstanding son from Woburn sire Torrington. 215kg at 3yrs with a very heavy beam and 34 points. Superior for venison and antler as you can see. Massive crown development very suited for correctness. With incredibly progeny weights Chenies produced Stag yearlings up to 164kg @18 months (born 2017 weighed 02/09/2018).

SPEEDWELL (014-17)

pictured age 5

Speedwell continues to show himself as an outstanding sire. With his pedigree of Norton II and dam line Y23 this will be very exciting to see him progress; mated across the yearlings he had 100% conception. Speedwell is proving his heritable traits with yearling hinds weighing over 98kg @ 12 months (born 2018 weighed 12/06/2019) averaging 92kg and spikers over 139kg @ 12months (born 2018 weighed 12/06/2019) averaging 113kg.

TORRINGTON

pictured age 8

This sire has proven his heritability over the last 5 years with outstanding progeny every year. Last year was no exception with daughters over 88kg @ 12 months (born 2018 weighed 12/06/2019) and sons over 126kg @ 12months (born 2018 weighed 12/06/2019) averaging 110kg. Producing 4 sires during his time in the Farm Torrington continues to improve the genetics at Woburn Farm.

CLUNE

pictured age 5

This incredible sire hit 300kg at 4 years old. An exciting prospect for the future of the Woburn Farm breeding programme. His first year of progeny producing daughters 95kg @ 12 months (born 2018 weighed 12/06/2019) and spikers over 118kg @ 12months (born 2018 weighed 12/06/2019). Stags sold from 2 years old with full pedigree and DNA profile.

Yearling Hinds for sale

All yearlings sold at 18 months post rut giving the purchaser the option to select which current sire covers each hind, this gives you the opportunity to buy Woburn hinds to add outstanding genetics to your herd with the advantage of adding a second generation from Woburn's proven sires. This year we are proud to offer a select amount of Woburn Yearling hinds available for sale with outstanding body weights from four of our top sires;

CLUNE

This incredible sire hit 300kg at 4 years old. An exciting prospect for the future of the Woburn Farm breeding programme. His first year of progeny producing daughters 95kg @ 12 months (born 2018 weighed 12/06/2019) and spikers over 118kg @ 12months (born 2018 weighed 12/06/2019).

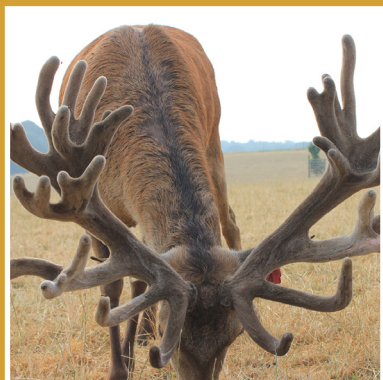

pictured age 5

CORRYBOROUGH

This fantastic sire is another Torrington son, his fantastic temperament, confirmation are evident in his sons born 2019 up to 133.5kg @ 12 months (born 2019 weighed 06/06/2020). In his first year Corryborough produced over 90% stag calves which we will continue to monitor with interest.

pictured age 5

01514

A son of stag 01201 and hind Y42 this sire is an exciting one to watch for the future. Mated across the yearling hinds in 2018 he has impressed with spikers born 2019 up to 121.5kg @ 12 months (born 2019 weighed 06/06/2020) and daughters up to 92.5kg @ 12 months all from first calvers.

pictured age 4

Limited numbers of AI progeny available alongside sires listed above.
